Addresses the particular needs and concerns of our students who may be marginalized because of their race/ethnicity, sexuality, age, disability, nationality, class status or gender.

IF you

- Know first-hand what this feels like
- Wish to discuss the kinds of issues and experiences which this committee should engage with and support

Please come help us set our agenda for the '08-'09 school year and elect student officers. You do NOT need to have attended previous meetings. Join us now!

Please direct any questions about the CSDC to Prof. Joseph at rljoseph@u.washington.edu
