NOTE: The prospectus must be approved by at least two committee members, though it is strongly recommended that all members review and approve the prospectus. An approved thesis prospectus is due by the end of the 4th quarter of study (excluding summers), but it may not be submitted until a student has removed any outstanding incompletes.

Attach this sheet to the front of your prospectus. After you have secured all signatures, turn in a copy of the cover sheet and prospectus to the Graduate Program Assistant.
